# SURPLUS LIST: February 7, 1950

Herein find listed our present Surplus of Fruit Trees and Flowering Shrubs all of which are in our Warehouse graded and ready for immediate shipment.

We also list Conifers of which we have good supply still in field. Will be dug on special orders.

We are showing actual Surplus of Patented Roses. We still have fairly complete supply of standard Roses in both Number One and Number 1½.

Terms and conditions covering this List are same as published in our regular Trade List. Prices subject to change without notice and F O B Huntsville.

## The Huntsville Wholesale Nurseries, Inc.

Huntsville, Alabama
